Sir,

Fms 56-16

With reference to your letter No.3325/Med.31-16-2, dated, 24th November 1916, I have the honor to inform you that the Superintendent of the Poona Medical School has communicated in his letter No.835, dated, 27-12-1916 / 11-1-1917, the permission of the Surgeon General with the Government of Bombay, to the admission of 6 Mysore pupils into that school and has also asked me to intimate whether this Government will send six students in October next.

In the meanwhile, the Superintendent of the Royapuram Medical School sent up a statement showing the provision that will have to be made in the next budget on account of Mysore pupils studying in that school. As the cost on account of 12 1st year's students was included in the statement, the Superintendent has been asked whether seats will be made available for 12 new Mysore students in July next. His reply is awaited.

There are at present 56 Mysore Stipendiaries in various stages of the Sub Assistant Surgeon's course in the Medical Schools at Madras, Poona, Vizagapatam and Tanjore and making due allowance for failures, dismissals and desertions, at least 45 trained hands may be expected to be available for our service in the next

five years. The numbe r of vacancies that are likely to occur during the same period by retirement in the usual course is 32 and adding to this, the number of vacancies due to dismissals, resignations and deaths, the total demand may not go very much above the supply expected:

Under the circumstantes I am of the opinion that the requiremen-ts of our se-rvice will be sufficiently met by deputing 6 students for training in the Poona Medical School. I therefore request that permission may kindly be accorded to my informing the Superintendent Poona Medical School that six pupils will be sent to his school by the Mysore State for training in October next.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Letter No. 329-1 Medl, dated the 7th March 1917 from the Acting Secretary to the Government of Madras, to the Hon'ble the Resident in Mysore.

I am directed to invite a reference to your letter No. 6496, dated 13th September 1916 in which you intimated that the Mysore Durbar proposed to make local arrangements for the training of the Sub Assistant Surgeons required for the State Service from 1917. The Superintendent of the Royapuram Medical School has forwarded a letter from the Senior Surgeon to the Darbar dated 25th January 1917 (copy enclosed) asking whether seats will be reserved in the Royapuram School for twelve Mysore pupils in 1917. I am to enquire whether in view of the statement contained in your letter referred to above any seats should be reserved in the Madras schools for Mysore pupils, and if so when the Darbar intends to open its school.
